A. Total RVU (Relative Value Unit) – Total includes work RVU, Practice Expense RVU and Malpractice RVU. Information presented herein reflects the Facility Setting.
 B. The CPT codes in this Guide are unilateral procedures. If performed bilaterally, some payors require that the service be reported twice with modifier 50 appended to the second code while others require identification of the service only once with modifier 50 appended. Check with individual payors.
 C. HOPD Status Key: C = Inpatient only procedure; J1 = Comprehensive APC rules apply; all covered Part B services are packaged into a single payment; N = No separate payment; payment is packaged into payment for other services; Q1 = Packaged APC payment if billed on the same date of service as an HCPCS code assigned status indicator S, T, V; S = Significant procedure, not discounted when multiple procedure performed; T = Procedure, discounted 50% when another procedure with a T status is billed.
 D. ASC Status Key: J8: Device-intensive procedure and subject to the multiple procedure discount (50%)
